The procedure for obtaining an M-1 Student Visa (and M-2 for spouse and minor children) is begun by the prospective student making written application to Cinema Makeup School, USA. This written application, including school transcripts or other records of courses taken, along with proof of financial responsibility, and other supporting documents, are reviewed and evaluated by Cinema Makeup School's admissions committee.

The Registration Fee and additional I-20 Processing Fee are non-refundable.

With permission to come to the United States as a student you may be accompanied by your spouse and unmarried children under 21 years of age, provided they obtain the required M-2 visas.
